Welcome to FIU! We are very excited to have you here. This is going to be one of the best life experiences should you take action to make it so. College is an opportunity to rebrand and learn more about yourself in addition to meeting lifelong friends and mentors who will challenge you and help you achieve your goals. It is important to realize you are not alone. You have access to many resources that will help you succeed.

Are you unsure of your major or looking to change it? Visit with your academic advisor and/or take Discover Your Major (SLS 1402) in the fall. Do you need help studying for class or learning a new concept? Take advantage of the Center for Academic Success. Would you like to expand your horizons? Study Abroad or participate in the National Student Exchange. Are you feeling homesick or overwhelmed? Take the time to see someone in Counseling & Psychological Services. Your experience is what you make of it!

Freshman VIP: Very Important Panthers

You’re new to a college campus and already have your own ceremony! Every year at FIU, we host Freshman Convocation to welcome incoming students, like you, to the FIU family. This ceremony is held exclusively for new FIU students and their parents and family members. Convocation and commencement (graduation) is held in the same place so attending convocation means you’re participating in an FIU tradition by starting your FIU journey in the same place where you’ll end.

Here’s what you need to know about Freshman Convocation:
- FIU tradition
- Taking place Sunday, August 19th at 2:00pm in the FIU MMC Arena (doors open at 1:30pm).
- Casual FIU Blue & Gold attire is requested
- No RSVP is needed
- Reception to follow with food and giveaways provided by ShopFIU.

See you there, #FIU22!

Upcoming Opportunity: Panther Camp

At FIU, we build traditions and reputations quickly. One of the programs closest to the hearts of many of our students is Panther Camp. Students can only attend Panther Camp during the Summer before starting at FIU so make sure you don’t miss out on this great opportunity!

Students who attended Panther Camp have said:

"**Panther Camp is a place where students get to make long-lasting memories, see the diversity that’s within the university and experience the acceptance that so many Panther Camp Facilitators and the campers have for who they are. We empower students to believe that they can be anyone they want to be at FIU.**"

-Boanerges “Bo” Grande, 2015-2016 Panther Camp Facilitator

**FIU 101: Tips & Tricks**

- Your first week of the Fall semester will be the first week of everyone’s Fall semester. **Give everyone some time to adjust** to their new semester’s routine. As the weeks pass, you’ll find your own routine and everyone else will find theirs too so transitioning will get easier.

- If you’re driving yourself to campus, **make sure that your vehicle is registered** with parking.fiu.edu.

- **Arrive 1-2 hours before your class begins** during the first few weeks of the semester so you’re not rushing.

- If you find that you’re having difficulty in a class, **visit your professor’s office hours** for extra help.

- We offer a variety of free tutoring services all over campus. Whether you’re struggling in a class or just want to push your B to an A, the **Center for Academic Success is a great resource**.

- If you’re nervous about finding your way around a new, larger campus **take some time to plan out your routes from class to class**. Go to each building and find your classroom beforehand so that you’ll know exactly where you’re going on your first day.

- **Go to Panther Camp!** It’s a great way to learn more about FIU and make life-long friends that are starting out in college, just like you.

- **Use your Peer Advisor, Panther Camp Facilitators and Peer Mentors**—they’ve overcome their own “first day” challenges and can help you with yours!
